

STANLEY MEASURING TOOLS

Stanley's measuring innovation has established Stanley as a leading worldwide Tape Rule manufacturer. Our expanded line builds on this great heritage. For example, our new FatMax Xtreme Tape Rules features 13' of blade standout, the longest in the world. We've also improved on classics by adding BladeArmor Coating to PowerLock and MaxSteel Tape Rules to extend the life of the blade. And that's only the beginning. Take a look at our tape line and see why after years of innovation, Stanley's Tape quality and durability are unmatched.

Available Sizes

- Stanley Measuring Tape 15Mtr
- Stanley Measuring Tape 3.5Mtr
- Stanley Measuring Tape 30 Mtr
- Stanley Measuring Tape 3Mtr
- Stanley Measuring Tape 5Mtr
- Stanley Measuring Tape 5Mtr DP
- Stanley Measuring Tape 8Mtr

Magnetic Level 8 042-291

Features and Benefits

- High impact ABS plastic
- Top reading feature allows greater visibility
- One level plumb and 45° vial
- Magnetic strip

Stanley Magnetic Lever 9 042-264

Features and Benefits

- High impact ABS plastic
- Top reading feature allows greater visibility
- One level plumb and 45° vial
- Length of Level 2000mm/78.

Stanley Spirit Level 12, 18 & 24

Top read center vial for easy readability Yellow vial covers for high visibility and easier reading vials End caps to prevent denting

- Length = 12 in, 18 in & 24 in
- No. of Vials = 3
- Vial Positions = 1 Level, 2 Plumb
- Display Base Type = Flat
- Body Material = Aluminum

Features and Benefits

- Durable, lightweight aluminum construction suited to all-purpose use
- Top-read center vial designed for easy readability
- Yellow vial covers increase visibility and readability
- Shock-absorbing end caps hold up to heavy use
- Hang hole simplifies storage

Stanley Chalk Powder Blue 4 Oz.

Features and Benefits

- High impact ABS case
- Patented on-board hook storage
- Stainless steel hook
- Sliding door for easy filling
- Folding crank handle stores neatly into case

Stanley Chalk Powder Red 4 Oz.

Features and Benefits

- Die-cast aluminum housing for durability
- Rewinds 5x faster – has a 5:1 gear ratio
- Quick gear release – crank will not spin when pulling out line
- Stainless steel hook and crank handle
- On-Board Hook Storage
- Patented Chalk View case – see amount of chalk inside case
- Premium polymer string resists breakage and fraying

Stanley Chalk Powder Red 8 Oz.

Features and Benefits

- High grade red chalk
- Packed in plastic canisters for easy pouring

Stanley Blade

Everyone knows the importance of the “right tool for the job”. Application Specific Blades are designed with unique features for cutting drywall, roofing shingles and paper. Each blade is constructed of carbon alloy steel. Due to our patented S3 Technology, our paper blades start sharper and stay sharper, our roofing blades are stronger, and our drywall and paper blades deliver more cuts per blade. The entire line provides better performance than standard heavy duty blades. Plus, our application specific packaging reduces the confusion around selecting the right blade for the right job.

Stanley Blade 0-11-1992

- Engineered for general-purpose cutting
- Precision-honed edge for consistent and extended cutting life
- Fits most standard utility knives

Product SKU No.	Packed	Length In Inches	Thickness In Inches	Box/Ctn
